PRIMIS, expert in:

BANKING & INSURANCES - MASS RETAIL - TRANSPORTATION - REAL ESTATE - INDUSTRY & SERVICES - LUXURY - COMMERCIAL GOODS

WHERE ARE YOU IN YOUR BLOCKCHAIN APPROACH?

More than 80% of large companies do not have a Blockchain experience. The opportunity to create more efficient solutions and new business models should force top management to review their business with respect to Blockchain.

- No blockchain experience or use case
- Potential use case already identified, need help for a POC
- POC already developed, need help for the deployment and integration
- Blockchain experts creating their native Blockchain
